PRESIDING COMMISSIONER

STEPHANIE GOODEN
NORTHERN DISTRICT COMMISSIONER

MONTE FENNER
SOUTHERN DISTRICT COMMISSIONER

March 17, 2020

PRESS RELEASE:

With concern continuing to grow around the spread of Coronavirus - COVID-19, Saline County Commissioners are instituting all the necessary precautions and processes to safeguard your county courthouse, courts, and offices.

We all need to be focused on following all CDC and OSHA guidelines, standards and directives related to Novel Coronavirus. These include hand washing, the use of alcohol-based hand sanitizers, staying at home if feeling ill, limiting business travel, advising employees to avoid large gatherings and increasing fresh air in buildings.

To be proactive in battling this virus, the Saline County Commission has limited building access to the basement handicap entrance only. The second floor North and South doors will be locked. The basement access will be manned during this time for security services for the courts system. We are asking the public to limit access to the courthouse for urgent business only. We encourage our constituents to use online access, drop boxes, or call for any questions.

Signs will be posted on the outside doors to direct the public.

As we work in uncharted territory, we are taking the steps best known to us as this time. As situations change, we will make the proper adjustments. As always, the health, safety, and well-being of our constituents, our employees, and our communities are of paramount concern. We will continue to monitor this evolving situation, please feel free to reach out to us at any time with questions or comments.

Thank you for your consideration and warmest regards,

Saline County Commission
